MEMORANDUM FOR: Acting Chief, Geographic Research 6 July 1961
 FROM: Chief, Map Library Division
 SUBJECT: D/CL Activity Report for the Month of June, 1960

A. Major Research and Technical Support Activity

1. Procurement receipts from foreign sources in June amounted to 7,427 maps and 1,125 publications. Significant items included: maps of three provinces of Communist China with 1959 and 1960 dates; a 1959 communications map of East Germany; Volume 1 of the "Geographic Monograph of Rumania," 1960; "La Geographie de l'Afghanistan," by J. Humlum; and a series of maps showing the Pakistan-Iranian boundary.

2. A summary of total receipts by the Foreign Procurement Branch for FY-1960 follows: 66,486 maps and 11,986 publications were received. 44% of the maps were received on exchange; 42% were purchased; and 14% were received as gifts. 32% of the maps were held in the CIA Map Library; 35% went to the Army Map Service; and 22%, to the Library of Congress. The remaining 11% was distributed to other agencies.

3. The Processing Branch during the month cataloged 782 new map titles, with an aggregate of 6,359 sheets, for the Loan Copy Collection. The processing of the series portion of the project for reducing uncataloged materials in the Far East area was completed this month. In connection with this project, some revision and screening of single sheet maps still remain to be completed. 153 new maps were processed for Vital Storage, and 297 new atlases and atlas-like volumes were processed for the reference collection. The ATMP Unit indexed 40 new SAC charts in the 1:200,000 series.

4. 33,447 items were forwarded to requesters by the Reference Branch, in response to 1,899 requests for maps, related geographic publications, and reference information, as follows:

	No. of Requests	No. of items Forwarded
Maps	1,261	25,460
Books	144	329
ATMP	137	7,658
Place Name Requests	131	
Miscellaneous Reference Questions	226	
	1,899	33,447

5,799 more items were forwarded this month than during May.

25X1A9a

5. In connection with preparations for [REDACTED] travel to Europe, reports on three countries were completed by the Special Collection Support Branch; three others were drafted. Other preparations included compilation of source leads, biographic data, and information on international conferences. The Branch also served Map Library requirements, through CD/00, on 15 sources attending the International Union of Geodesy and Geophysics, 7 attending the Geological Congress, and 13 attending the International Geographical Union Congress. Requirements for the Geography Division were included for selected sources. Requirements for persons attending the International Photogrammetry Society meeting in London will be issued after additional source assessments are received from CO/00. The new collection guide for Communist China was drafted; one Soviet Bloc country mapping organization target list was completed, and two others were drafted.

B. Planning and Development

1. Geographic Attaché Activity:

a. Significant developments in the Geographic Attaché program during recent months have included the assignment of Dr. Lauri Niemela as Geographic Attaché to northwest Europe; the authorization of the procurement mission by Dr. Bradley to Australia and New Zealand; procurement through Dr. Chapman and the Army Attaché of recent official maps of the India-China boundary; and a promising new approach to mapping in the UAR by Dr. Held.

25X1A9a

b. Mr. Rugg has returned to Germany after home leave and consultation. Mr. Biggs has recently undergone a serious operation and will not return to the field. Mr. Rogers is hospitalized for eye trouble.

2. Planning and development for FY-1961 will stress procurement in Eastern Europe and an increase in the reporting of map intelligence on the Soviet Bloc and on other problem areas. [REDACTED] will go to Hungary in September in response to an invitation to attend the annual meeting of the Hungarian Geographical Society. He plans to also visit Bulgaria and Rumania. Plans for [REDACTED] include a visit to Russia and visits to most of the eastern European countries. [REDACTED]

25X1A9a

25X1A9a

[REDACTED] will attend the International Geographical Union meetings in Stockholm. In addition, [REDACTED] will attend the International Union of Geodesy and Geophysics in Helsinki, the International Geological Congress in Copenhagen, and the International Congress of Photogrammetry in London.

25X1A9a

3. Increased efforts will be made to collect maps and map intelligence information on Africa through a careful follow-up on [REDACTED] trip. There will be increased coordination of the procurement of Antarctic maps and related materials.

C. Significant Outside Contacts and Activities

1. Outside contacts by members of the Special Collection Support Branch included the following:

25X1A9a

a. [REDACTED] briefed a CD/CO Source in New York on topographic requirements. The Source will attend the International Geographical Union Congress in Stockholm in August and will also travel to Poland, Czechoslovakia, and the USSR. Arrangements have been made for his debriefing upon his return.

25X1A9a

b. [REDACTED] spent two days presenting briefings to Contact Specialists attending the yearly CD/CO refresher training course.

25X1A9a

c. [REDACTED] briefed a high ranking U. S. Government Source prior to his travel to Europe and the International Union of Geodesy and Geophysics in Helsinki.

D. Problems

25X1A9a

25X1A9a [REDACTED]
[REDACTED] illness will make it necessary to reschedule his itinerary, and that of [REDACTED] means a break of about nine months in the geographic activities in South America.
